

VOLUNTEER DRIVERS NEEDED URGENTLY

**Do you have free time and want to give back
to your local community?**

Our volunteer drivers are invaluable to us, they are dedicated to helping their passengers, maintain their independence, to go shopping, socialising, or attending appointments. They are caring, patient and willing to assist passengers on to our vehicle or with their shopping bags.

If you can spare a couple of hours a week using your own car (45p per mile expenses paid) or using one of our vehicles to help local people, we would love to hear from you and welcome you to the team!

All our volunteer drivers are DBS checked and Midas Trained.
